To

The Chairman  
Department of Mathematics,  
Kurukshetra University, Kurukshetra

**Subject: Changes and suggestions for the revision of curriculum (As per feedback received from students of B.A./B.Sc./B.Com)**

Respected Sir,

With due respect, I want to say that a Google Form was created and sent to the students of B.A./B.Sc./B.Com for the session 2022-23 to receive Mathematics course feedback from them. The questionnaire consisted of 14 questions each with five responses that covered aspects of curriculum, learning and transition. One general question was asked to the students for any suggestion to enhance the curriculum. The following suggestions were received from students:

1. The internal assessment system as prescribed by the university should be improved.
2. Offline teaching is more effective than online teaching.
3. Curriculum should have practical relevance to resolve daily life problems.

Kindly consider the suggestions.

  
Principal

  
Dr. Vandana Gupta  
HOD, Mathematics
